**Why Select?**

Informed decision-making on your part is Select's utmost priority. That's why it works as a one-stop shop with multiple money-saving verticals for you. With credible data, technically advanced tools and independent reviews, Select eases the selection process in your major money matters.

**Investment Advisory Disclosure:**

In terms of the regulatory requirements, you as a user can either avail of our distribution/facilitation services or investment advisory services and not both. The Company shall make all endeavours to ensure segregation of the distribution and advisory activities by not offering both to the same user by placing appropriate post-login disablement/accessibility blocking checks on the website.

However, as a user, it is your responsibility not to subscribe to / avail of the distribution services of this platform in case any of the following is a user of our group company’s product “Finology Reserve” -

- You yourself;
- Your dependent family member (i.e. your spouse, parents or children who invest using your money); or
- family members on whom you are dependent (i.e. spouse, parents or children whose money you invest)

At any point in time, if it is found that you have been availing services of “SELECT” and ”RESERVE” or any other advisory product, together in any of the manner specified above, then in that case the company (including its group companies) have the sole right to decide upon stopping any one service immediately.
